iEARN – Belarus (International Education and Resource Network in Belarus)

iEARN New Resources for Teachers Professional Development

and Students Digital Storytelling. Adobe Youth Voices Program

Workshop

Date: February 4, 2011

Place: IATP-center

Time: 12.00 – 17.00

Participants: teachers – 15 person (Braslav Gymnasium, Slonim Gymnasium #1, Dyatlovo Gymnasium #1, Minsk Gymnasium #19, Minsk School #19)

Organizers: iEARN-Belarus, Internet Center of the Republic Scientific and Technical Library, Youth International Education Club NEWLINE.

Workshop Goal:

-To introduce “Adobe Youth Voices” for educators interested in integrating global project work at their schools ;

-To demonstrate teachers new technology opportunities with AYV and encourage them to help students gain skills for digital storytelling for their communities, schools, parents, surrounding or for social change

Supposed Results: meet new AYV program participants and get them involved in ongoing iEARN projects and “Adobe Youth Voices” Program.
